

MANILVA | CONTRACTS

COMPANY STATEMENT – UPDATED 13.05.20

CORONAVIRUS (COVID-19) – MANILVA CONTRACTS LTD

Following on from our previous statement at the beginning of the outbreak, Manilva Contracts Ltd are fully committed to stopping the spread of the Coronavirus. This statement outlines our commitment to do all we can to minimise the risk while still providing the best possible services and attempt a “business as usual” approach.

Manilva are taking all steps possible and want to reassure our clients that we take this virus very seriously. Currently we have some external sites which are currently manned in line with social distancing rules. We have no known cases of illness but we have advised staff and labour to self isolate if they start to feel unwell. We have provided extra soap and hand sanitisers to all sites and our Foreman have given toolbox talks specifically dedicated to the education and importance of following the Government’s guidelines to ensure not only their own safety but the well being of others. We are continuing to monitor staff and labour holidays to ensure anyone returning to work is fit and well to do so. We only have staff on sites who travel to work **WITHOUT** the use of public transport.

Extra masks and gloves are given to each site and signage is clear for the avoidance of doubt of the importance of washing hands, socially distancing and commuting.

Staff who are office based have the capacity to work from home if the need arises as communication from the office is essential to the every day running of the business as well as the labour provided on site.

Anyone who has concerns should feel free to call the office on 01883 345366

Wishing you all the best

Stay well and safe

STEVE FALZON
